#### DESIGN, LIGHT, MATERIAL !

SUBLIMATE YOUR POOL, ACHIEVE A SEAMLESS DESIGN AND INVISIBLE PROTECTION WITH SADEV INO

The base glass clamp for swimming-pool has been designed in order to provide you a turnkey solution, including a door system with hinges & handle with lock.

The system offers you a very fast installation as well as for SABCO. Its high-performance is allowing to meet the hard conditions the pool barriers can face (salt, chlorine, heat).

# SABCO® SWIMSIDE

REF  
SWIMSIDE RAIL

The new profile has been developed and PATENTED to create stunning pool surroundings. The leds located on the covers of the rail create a soft lightening. Swimside rail is ideal to protect your swimming pool.
